A community is defined by its commitment to the arts...

The Raven will host more than 12,000 audience members at 149 events this year, including musicals & plays, live music events, children's theater, school & nonprofit productions, and community, educational, and public service activities.

As a nonprofit, we rely on you to ensure that the Raven remains a key entertainment center and a community gathering place in our region. While fiscally more efficient than most community theaters, the Raven nonetheless needs your support, as ticket sales cover less than half of our budget.

Dancing with the Stars at the Raven is one of the region's most popular and entertaining annual activities, and an important fundraising event for the Raven.
