A community is defined by its commitment to the arts...

The Raven will host more than 12,000 audience members at 149 events this year, including musicals & plays, live music events, children's theater, school & nonprofit productions, and community, educational, and public service activities.

As a nonprofit, we rely on you to ensure that the Raven remains a key entertainment center and a community gathering place in our region. While fiscally more efficient than most community theaters, the Raven nonetheless needs your support, as ticket sales cover less than half of our budget.

*Dancing with the Stars at the Raven* is one of the region's most popular and entertaining annual activities, and an important fundraising event for the Raven.
